INSPECTION CODES

- D - Design Certifying Engineer.
- I - Registered Inspectors: Those companies or individuals engaged in the inspection and testing of cargo tanks. This category includes other functions such as replacement or installation of components which do not require welding to the cargo tank wall but does include other welding such as welding of components and appurtenances to the motor vehicle.
- R - Cargo Tank Repairers: Those Companies authorized to do welding on the cargo tank wall.
- U - Cargo Tank Manufacturers: Those companies authorized to manufacture cargo tanks or cargo tank equipment which forms part of the cargo tank wall.
- B - Cargo Tank Repairers and Manufacturers: Those Companies

Those companies shown without inspection codes were entered into the system before that attribute was added to database structure. Their specific functions are on file with the Approvals branch.
